Les Barker

Les writes strange, hilariously funny poems. He was an accountant before he became a professional idiot. He has written 77 books which sell in large numbers at his gigs because people don't quite believe what they've just heard; and spawned such folk heroes as "Cosmo the Fairly Accurate Knife Thrower", "Spot of the Antarctic" and "Jason and the Arguments". This will be a night to remember.

Mike Silver

A warm welcome back to one of our favourite artistes; Mike has been a guest at our club and Folk Feast many times and never fails to amaze us with his beautiful songs and intricate guitar style. With 15 albums to his credit and still writing the most incredible songs, we look forward to his visit. Come early tonight to be sure of a seat.
