9th KRISTINA OLSEN & PETER GRAYLING

One of only two Scottish dates on this tour, for this international duo. Kristina is from San Francisco while Peter is "up" from down under! Kristina is a very fine singer/songwriter and a fine instrumentalist playing both acoustic and steel-body slide guitar, she also plays saxophone, concertina and piano. Peter on the other hand plays a mean Cello; his classical technique blends well with the bluesy style of Kristina's fine singing. This will be a very busy night so come early!!!

Australian duo, although Jay was 'born' in Britain. Cath plays piano and fiddle whilst Jay is a very versatile guitar player. They write their own material and perform it with feeling and power, "voices to die for" said one review. Always nice to have new faces at Glenfarg so come along and give them a warm welcome!
