

*The Internationally Famous Glenfarg Village Folk Club is now in its 26th year and still going strong. It meets every Monday night and offers a wide range of musical acts as well as providing an opportunity for budding performers to 'have a go'. Over the course of a year you can enjoy both traditional and contemporary folk from home and abroad, blues, jazz, ragtime, story telling, poetry and great humour. We are always tracking down the latest talent to break onto the folk scene as well as dusting down some of the golden oldies who have been around for a wee while longer. Every four weeks or so we have a singaround / session at the club (sometimes with a theme and sometimes not). Anyone who comes along gets a chance to perform in a relaxed and friendly environment. Many just come along to listen and enjoy the banter.*

*There is much more to Glenfarg Village Folk Club than Monday nights in the Terrace Bar. Members also enjoy many social events throughout the year including a Treasure Hunt & BBQ, trips to other folk clubs, a summer picnic, a golf tournament, a 'November Weekend Away' where we take over several log cabins somewhere in Scotland and eat, drink and be merry for three days and nights, and every April of course we have our Folk Feast. Our members put a lot of effort into our club and they get a great deal back. As we celebrate 25 happy musical years at Glenfarg, we are all looking forward to the next 25.*
